

Our online tools are transforming the business.

See how they can transform how you buy and sell real estate.

With Prudential Hodrick Realty you'll gain an edge on buying and selling in your neighborhood!

Virtual Tours: Let buyers see the inside of your home from the comfort of theirs.

QR Codes: New technology to get information on your home into the hands of prospective buyers.

Information Access: Easy call-in for recorded info and photos of property information to your cell phone when you want it.

Mobile Website: Mobile-friendly website for easy searching of available properties.

Click to Call: Call us instantly while visiting our website. No need to look for a Contact Us page or dial us.

Click to Text: Text us instantly while visiting our website. No need to pull out your cell phone!

More Online Exposure: Our listings are on the most popular listing and search portals on the web, exposing your property to 13 million home buyers a month.

Better Service: Our exclusive Online Advantage technology provides sellers daily activity reports packed with real-time listing and market data.

Let Prudential Hodrick Realty give you an edge in today's demanding market, with Rock Solid support from one of America's most recognized brand.
